

## 24 SEVEN DISCOVERE – A LITIGATION TECHNOLOGY COMPANY

24 Seven Discovere is a leading provider of technology-driven litigation support services. Since 2001, we have continuously been recognized as an industry pioneer through both our product and service offerings and our continuous commitment to customer service.

By using a blend of Best-of-Breed software applications, and through the creation of a few Strategic Alliances, we provide a truly seamless end-to-end Litigation Lifecycle experience. Additionally, by investing heavily in both employee training and retention programs, we continue to lead the market in cost saving methodology and client-focused consultative solutions.
